Amercool/Smithco Engineering

www.smithco-eng.com

Large Round Tube Low Noise Remote Radiators and Gas Coolers for Diesel and Gas Engine Applications

Sondex

www.sondex-USA.com

Single and Double Wall, Plate & Frame Heat Exchangers

FPE (Fluid Power Energy)

www.fpevalves.com

Two & Three Way Thermostatic Control Valves, Electrically Actuated 3-Way Temperature Control Valve Systems. Oil Cleaning Centrifuges for Engine and Compressor Applications

IEA Radiator

www.IEArad.com

Round Tube, Oval Tube, Plate Fin Heavy Duty Radiators in Copper Brass and Aluminum Construction with Single and Multi Fan Configurations. Horizontal & Vertical Core Remote Mounted Radiators, Fan-on-Engine and Fanon-Radiator, Engine Mounted Radiators With Piping Kits, Drive Kits Mounting Kits and Fuel Coolers. Engine Mounted and Remote Mounted Charge Air Coolers with Charge Air Piping Systems and Mounting Systems for Engine and Compressor Applications

Catalytic Combustion

www.catalyticcombustion.com

Manufactures of Catalyst and Replacement Catalyst Elements for all Manufactures Systems. Diesel Oxidation Catalyst, Diesel Particulate Catalyst., SCR Systems, Diesel Particulate Systems, Oxidation Systems and Catalysts Systems For Diesel and Gas Engine Emission Reductions. **Catalyst Cleaning and Testing For all Manufactures Catalyst**

ESM/ McKinley/ Hill

www.McKinleyhill.com

Electric Control Panels

Temperature Control Panels for VFD and Staging Single & Multi Fan Radiators and Pumps, Pump staging Panels for Lead Lag Pump Systems, Motor Stater/ Disconnect Panels, Safety Disconnect Switches and NESHAP Temperature and Pressure Drop Monitoring Panels.

Load Banks Direct (LBD)

www.loadbanksdirect.com

Load Banks for the Power Generation Market

InExhaust Engine Exhaust Systems.

www.inexhaust.com

Engine Exhaust Silencers- Cylindrical, Disk and Low Profile for Noise Reduction, Spark Arrestors, Exhaust Accessories, Catalyst Emissions Reduction Systems for Diesel And Gas Engines, OEM Exhaust Flex Connectors and Tubing Systems.

Rocore

www.roc core.com

Oval & Round Tube Single and Multi Fan Low Noise Remote Radiators, Air to Air Charge Air Coolers- Remote Mounted and Engine Mounted, With Mounting stands and Piping Kits, Shell & Tube Heat Exchangers, Unit Mounted Fan On Engine and Engine Driven Radiators

SENS (Stored Energy Systems)

www.sens-usa.com

Battery Chargers and Uninterruptible Power Supply (UPS) Systems, NiCad Batteries

Temptec,

www.tempotecexhaustblankets.com

Thermal Insulation Blankets for Engine Silencers, Manifolds and Exhaust Accessory Components

Thermal Transfer Products

www.thermasys.com

Oil Coolers, Shell & Tube Heat Exchangers, Fuel Coolers- (Remote and Unit Mounted)

Maxim Exhaust Gas Heat Exchangers

www.maximsilencers.com

Vertical and Horizontal Exhaust Gas Heat Exchangers for Exhaust Heat Recovery, Combined Heat and Power (CHP) and Cogeneration Systems,

Victory Energy Operations

www.victoryenergy.com

One Piece Free Standing Exhaust Stacks and Breeching For Engine Exhaust Systems, Steam and Hot Water Heat Recovery Systems For Engine Exhaust and Jacket Water.
