CCC - Catalytic Combustion Corporation

Manufacturers of Catalyst and Replacement Catalyst Elements for all Manufactures Systems. Diesel Oxidation Catalyst, Diesel Particulate Catalyst, SCR Systems, Diesel Particulate Systems, Oxidation Systems and Catalysts Systems for Diesel and Gas Engine Emission Reductions. Catalyst Cleaning and Testing For all Manufactures Catalyst

Clorius Controls

Manufacturer of Two and Three Way Electrically Actuated Thermostatic Control Valves, Actuators, and Comprehensive Control Solutions Supporting Various Marine and Industrial Applications. Electric, Pneumatic, Self-Acting and Internally Sensed Control Systems to Meet Specific Requirements

FPE - Fluid Power Energy

Two & Three Way Thermostatic Control Valves, Electrically Actuated 3-Way Temperature Control Valve Systems. Oil Cleaning Centrifuges for Engine and Compressor Applications

inExhaust (Innovative Exhaust Solutions, Inc.)

Engine Exhaust Silencers- Cylindrical, Disk and Low Profile for Noise Reduction, Spark Arrestors, Exhaust Accessories, Catalyst Emissions Reduction Systems for Diesel and Gas Engines, OEM Exhaust Flex Connectors and Tubing Systems.

Load Banks Direct (LBD)

Load Banks for the Power Generation Market

Maxim Exhaust Gas Heat Exchangers

Vertical and Horizontal Exhaust Gas Heat Exchangers for Exhaust Heat Recovery, Combined Heat and Power (CHP) and Cogeneration Systems

McKinley/ Hill Company, LLC (Electrical Control Panels)

Industrial Control Panels, Electrical Control Panels, Temperature Control Panels for VFD and Staging Single & Multi Fan Radiators and Pumps, Pump staging Panels for Lead Lag Pump Systems, Motor Stater/ Disconnect Panels, Safety Disconnect Switches and NESHAP Temperature and Pressure Drop Monitoring Panels.

Rocore

Oval & Round Tube Single and Multi-Fan Low Noise Remote Radiators, Air to Air Charge Air Coolers- Remote Mounted and Engine Mounted, With Mounting stands and Piping Kits, Shell & Tube Heat Exchangers, Unit Mounted Fan on Engine and Engine Driven Radiators

SENS - Stored Energy Systems

Battery Chargers and Uninterruptible Power Supply (UPS) Systems, NiCad Batteries

Sondex

Single and Double Wall, Plate & Frame Heat Exchangers

Temptec

Thermal Insulation Blankets for Engine Silencers, Manifolds and Exhaust Accessory Components

Thermal Transfer Products

Oil Coolers, Shell & Tube Heat Exchangers, Fuel Coolers (Remote and Unit Mounted)

Victory Energy Operations

One Piece Free Standing Exhaust Stacks and Breeching for Engine Exhaust Systems, Steam and Hot Water Heat Recovery Systems for Engine Exhaust and Jacket Water.

Worldwide Exchangers / SHECO - Southern Heat Exchanger

Worldwide Designs and Manufactures Large Round Tube Low Noise Remote Radiators and Shell & Tube Heat Exchangers for Gas Coolers for Diesel and Gas Engine Applications.

SHECO Designs and Manufactures Custom High-Pressure Shell & Tube Heat Exchangers. SHECO is Ready to Meet the Growing Service and Repair Needs of the Heat Exchanger Industry.
